

Build **YOUR OWN** Learning Management Platform

[VIEW OUR TRAINING COURSES](#)

OSHA's biggest push is training to your policies, practices & procedures. Every employee must be trained, assessed and documented. Continually changing COVID mandates are brining this to bear more than ever. BERT packages your policies into an online platform that you manage.

Result? **Instant Compliance.**

Sample Featured Course

COVID AND PANDEMIC COURSES | **\$195.00** RETAIL PRICING | 1 Lessons

The State of California has put in place a new safety compliance mandate pursuant to an Emergency Temporary Standard for COVID-19, known as the COVID-19 Prevention Program (CPP). This plan may stand alone or be incorporated into your existing Injury, Illness Prevention Program (IIPP). BERT has simplified the complex state regulations to help you craft necessary policies and procedures for the unique needs of your organization. See our online lessons that provide guidance on the essential day-to-day practices you need to keep everyone who enters your site
